Chemistry Visiting Instructor Advertisement:

The Department of Chemistry, Geosciences, and Physics at Tarleton State University, in Stephenville, Texas, invites applications for a Visiting Instructor of Chemistry for Fall 2020 and Spring 2021 Semesters. The successful candidate will support the Chemistry program through engaging, student-centered teaching, and actively contribute to service and outreach initiatives that advance the department, college, and university. Candidates with experience teaching in an online and/or hybrid instructional model are encouraged to apply. The primary teaching assignment will be in introductory chemistry laboratory and lecture courses. All application submissions must be made electronically through Tarleton’s employment site, https://www.tarleton.edu/jobs/.

Review of applications will begin immediately, and continue until the position is filled. Tarleton State University is an Equal Opportunity/Affirmative Action/Veterans/Disability Employer. As a member of The Texas A&M System, Tarleton will provide equal opportunity for employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity through The Texas A&M System.

Required Qualification: Candidates must hold a Master’s Degree or higher in Chemistry or a related field at the time of employment. Must demonstrate potential for outstanding teaching, and strong verbal and written communication skills. Physical activity will involve sitting, standing, bending, climbing stairs and walking, 20/20 corrected eyesight, and occasional lifting of moderate loads (50 lbs).

For additional details or questions, please contact Dr. Ryan Morgan, Department Head for Chemistry, Geosciences, and Physics at Tarleton State University, at rmorgan@tarleton.edu or (254)968-9894.
