Why are you seeking to transfer credits from outside Rice University? Please check all that apply:

- I am a new transfer student seeking credits for classes I took at my previous institution.
- I took a year abroad or am planning a year abroad and need to transfer credits from a foreign institution back to Rice.
- I am seeking permission to take a course outside Rice during the summer in order to satisfy distribution requirements.
- I am not taking these classes over the summer at Rice because they are not offered here over the summer.
- I am not taking these classes over the summer at Rice because Rice is too expensive.
- I am not taking these classes over the summer at Rice because I need to be in my hometown over the summer.
- I am seeking permission to take a course outside Rice during the summer in order to satisfy requirements for my non-chemistry major.
- I am seeking permission to take a course outside Rice during the summer in order to satisfy requirements for my chemistry major.
- I am seeking permission to take a course outside Rice because the Rice curriculum is too difficult.
- I am seeking permission to take a course outside Rice because the Rice curriculum is taught by a professor who gets negative teaching evaluations.
- I plan to take additional courses at Rice in chemistry at a more advanced level and taking these courses outside Rice allows me to **get ahead / take more** chemistry than I would have time for otherwise.
- I plan to take additional courses at Rice in chemistry at a more advanced level and taking these courses outside Rice allows me to **catch up** in my course progression that was delayed due to change of major, poor grades, or other reasons.
