

## Undergraduate Summer Fellowship Application

The Chemistry Department has several undergraduate research fellowships available each summer to provide partial stipend support summer research. The stipend for Summer 2022 will be up to \$5,000 for 10 weeks. Stipend assumes full-time (40 hours/week) laboratory work. Prorated stipends are available for research periods less than 10 weeks. The application is due by Monday, March 28<sup>th</sup>, 2022 at 4:00 pm.

**NOTE:** If you will be simultaneously enrolled in CHEM 391 or 491 you must complete the additional course requirements (end of term research paper, etc.). Please talk with your advisor and course instructor to ensure satisfactory completion of both fellowship and course requirements.

### Student Information

Name: \_\_\_\_\_ Major: \_\_\_\_\_ GPA: \_\_\_\_\_

Research Advisor: \_\_\_\_\_ Research Advisor Approval: \_\_\_\_\_

### Application Checklist

Declared Chemistry major

If not and/or you are planning to declare a Chemistry major, please elaborate:

Secured a faculty member with a research lab within the Rice Chemistry Department. He/she is aware that the host lab is required to contribute a small portion of the student's stipend, while the Chemistry Department will cover most of the stipend.

If the faculty is outside of the department, please elaborate:

Attached CV

Attached unofficial transcript

Attached one-page description of your proposed research plan

---

Please send this form, along with the rest of the application materials, to Anita Walker (aawalker@rice.edu) by Monday, March 28<sup>th</sup>, 2022 at 4:00 pm.
